ABOUT THE SCHOOL

St. Teresa's School, a Christian minority institution, is one of the many English medium institutions under the management of Prabhudasi Sisters Education Society, Ajmer. The Society also runs hospitals, dispensaries, old-age homes, crèches, etc. in different parts of the country.

With belief in our minds, faith in our hearts, and strengthened souls we embarked on this journey of holistic development in the year 2007 with 13 students in its first batch of students in Class Nursery. Many challenges welcomed us in the journey, but hard work has to be paid therefore we have successfully witnessed the growth of the school. Each passing year has solidified our goals of nurturing students with high-quality education and proffering a contribution towards making a better nation.

The school is situated at Niwaru Road, Jhotwara, Jaipur. The school aims at imparting a sound intellectual, physical and moral education to both boys and girls from classes Nursery to XII. The school is affiliated with CBSE which prepares students for All India Secondary School Examination (AISSE) and All India Senior School Certificate Examination (AISSCE).

The school strives to bring forth the finest in the children. To achieve this goal the school gives a lot of attention to prepare a well-thought-out program so that the students may acquire an all-round developed personality which would eventually bring forth intellectually well-developed, emotionally matured, and socially committed citizens for our country.

OUR PATRON

ST. TERESA OF CHILD JESUS

St. Teresa of child Jesus known as 'The Little Flower' was born in Alencon, France in 1873. Teresa was drawn to God from a very young age. She lived a life of humility, simplicity and childlike trust in God. At the age of 15, she entered the Carmelite convent in Lisieux to give her whole life to God.

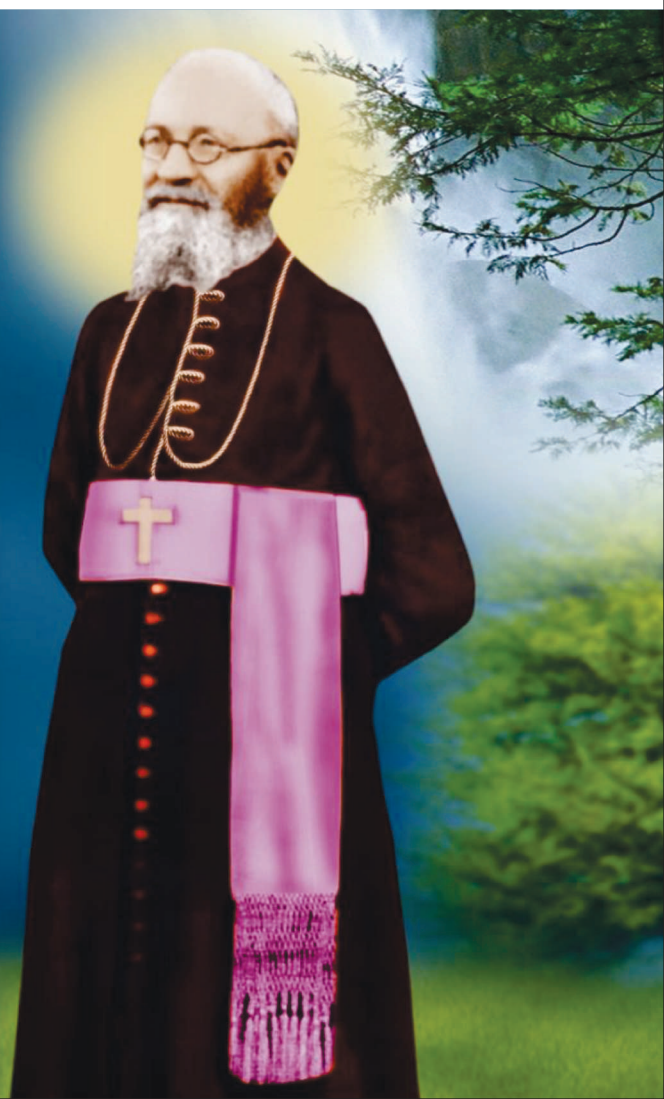

The world came to know her through her autobiography 'Story of a Soul'. She described her life as a little way of spiritual childhood. She lived each day with unshakable confidence in God's love. She wrote, what matters is not great deeds in life, but great love. Teresa lived and taught the spirituality of attending to everyone and everything well and with love. She believed that just as a child becomes enamoured with what is before her, we should also have a childlike focus and a totally attentive life. Her spirituality, taught doing ordinary things with extraordinary love. We the Teresians are proud to have this Saint as our patron and are happy to follow the footprints of St. Teresa.

St. Teresa pray for us.
